1. Review Draft Pathway

The draft pathway came across too rigid, needs to be seen as non-linear and flexible depending on the skills of the adult. There is a need to share the pathway and CIE with other work groups in order to promote cross-program collaboration and bridging.

The need for a cover page to accompany the pathway was expressed. This cover page will include:

- Definition of terms
 - Competitive integrated employment (CIE)
 - Experiential Learning
 - ...
- Need for and type of assessment
 - CASAS
 - Curriculum imbedded assessment
 - Situational assessment
- Non-linear placement and movement of adults
- Importance of cross-program collaboration
- Resources
 - Websites
 - Contact Info
