Ryan Whetstone	 Called to order 9 am Job fair was a big success, 9 people were hired on the spot Some schools believed many vendors left the job fair too early. Other than that it has positive reviews Ryan would like each school to start budgeting for next year's job fair. He would like at least one bus from each adult school there. Partner Breakfast Friday Feb 23rd 8 am to 12:30 @ HLPAE Ryan would like the group to come up with a Workplace Readiness Course including lesson plans that all the schools can use. Digital Badges have some value with employers and would like to incorporate them in the course.

Ramirez teaches the difference between an Ethical Issue and an Ethical Problem Ethical Issues- Society Punishes you Ethical Problem- Law Will Punish you Do they want a multiple choice test or teacher evaluation?
