1. Welcome	Upcoming professional development opportunities CATESOL Regional on Saturday, March 4 at Mt. SAC CCAE May 4-6, 2017 in Long Beach OTAN Symposium March 10-11, 2017 in Anaheim
2. Approve “Progress Report” draft	Gale Lee circulated a draft progress report, and the group made corrections. Sage Overoye will provide an updated draft at the next meeting. A discussion about the best way to access the progress report followed. Majority felt that having the form available online with the option to print out a paper copy would be the most beneficial. Having the information available to the whole consortium is beneficial for data collection.

This Progress report provides a tool:</p> <ul style="list-style-type: none"> to ensure student progress by providing feedback; to encourage and assist in goal-setting; to promote ongoing communication between teacher and student; and to provide a layer of public accountability. <p>Developed by faculty members within the Mt. San Antonio Regional Consortium for Adult Education as a universal student success tool.</p>
<p>3. AEBG Consortium Spring Conference</p>	<p>Progress report will be presented at the Spring Conference (how it was developed, how it should be used, how it relates to the continuum). Possibility for a cross-program session was discussed (forming bridges between program areas, VESL-like classes, common requirements, best practices). Unsure of best way to facilitate this cross-program collaboration (break out groups, speed dating, chart paper, ideas & concerns)?</p>
